INFRASTRUCTURE

Water

Residents of Brighton and Revival registering for potable piped water from NWC, at the entrance of Brighton Housing Scheme.

The opening of the Nonpariel/Retirement/Orange Hill Water Project. The residents of Retirement have waited over 60yrs to get piped water. Campaign Commitment made, and kept.

INFRASTRUCTURE

Community WI-FI

The launch of the COMMUNITY CONNECT WIFI in Grange Hill, is an enormously significant event. Our goal is to create a data-driven digital economy; we have the people, talent, and a government that sees the potential very clearly.

The launch of the Universal Service Fund's free WIFI for the township of Sav-anala-mar, Westmoreland. These community WIFI areas allow many of our neediest in society to benefit from free internet access; which goes a far way in bridging the gaps of inequality and exclusion.

INFRASTRUCTURE

Beautification Programme

Our Beautification Program continues across the constituency. Take a look at some transformations thus far.

INFRASTRUCTURE

Waste Removal

Creating communities that are clean, beautiful and safe.

INFRASTRUCTURE

Construction

Discussing with Minister McKenzie, plans for the construction of the Negril Fruit and Vegetable market for the people of Westmoreland.

Progress on the construction of the new house for a family of 4 in Moreland Hill.

Despite delays at the WMC for some 7 years, the construction of the new Westmoreland Infirmary Building is underway.

INFRASTRUCTURE

Construction

Groundbreaking ceremony for the construction of the Little London Police Station.

Labour Day

Highlights of Labour Day projects from around the constituency.

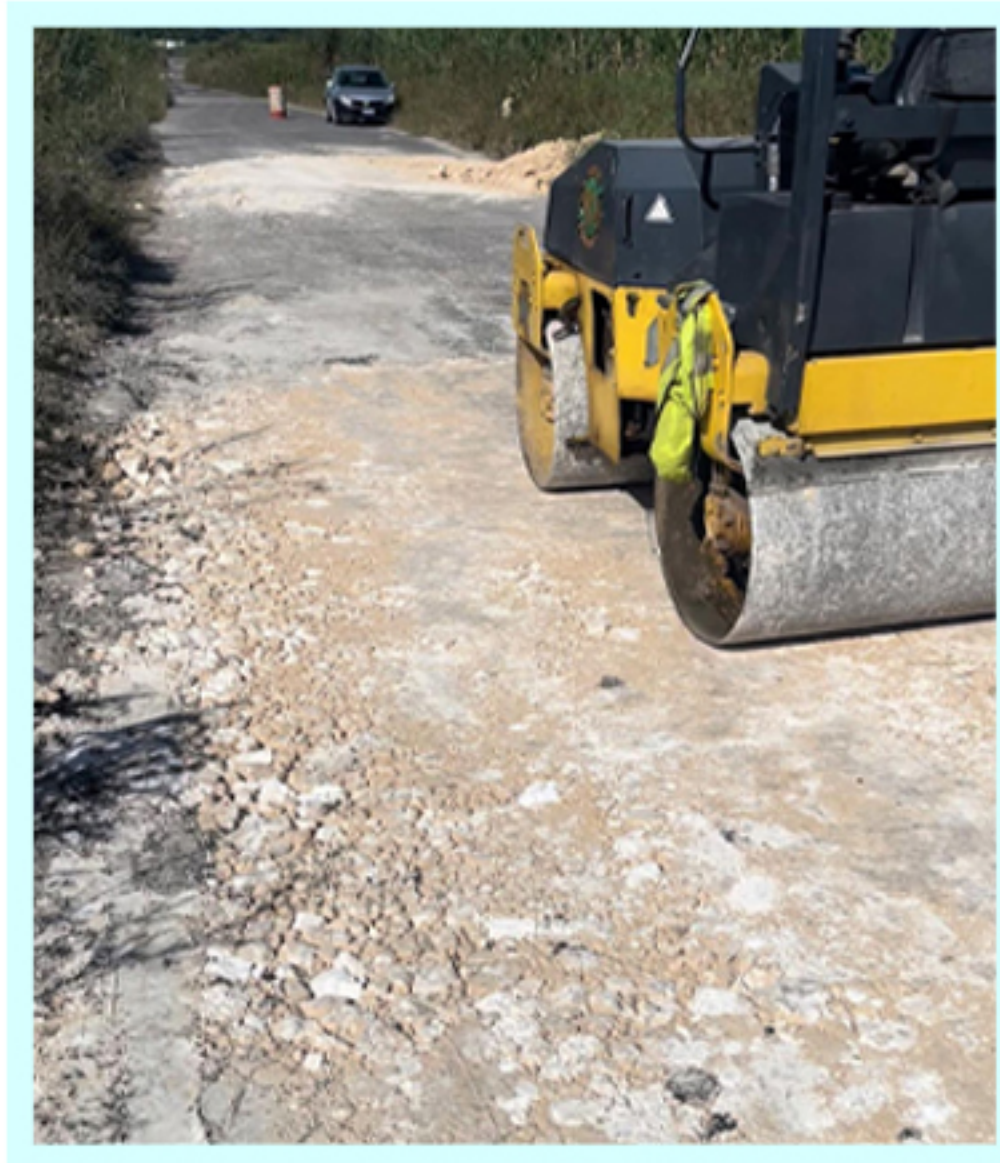

INFRASTRUCTURE

Road Repair

Our road repair program started on the Little London to Grange Hill main thoroughfare, and is set to move through, Alma, Glasgow, Bulstrode, Fullerfield, Townhead and Red Hills.

Road repairs on the Locust Tree to Bathmountain Main Roads.

INFRASTRUCTURE

Road Repair

Road improvement works in the community of Bulstrode.

EDUCATION

EduChest Foundation

Education is a priority for Westmoreland Western. EduChest Foundation continues to support the students of Westmoreland Western with scholarships, grants and school supplies.

EDUCATION

Back-to-School Fair

Highlights from the Back-to-School fairs held across the constituency in anticipation for the Easter Term.

Construction

Grange Hill Primary is getting a few additional class rooms courtesy of Jamaica Social Investment Fund (JSIF). Education is the key to success, and as the representative of the people, we continue to work to provide opportunities for growth and development.

HEALTH & WELLNESS

Vaccination Drive

Westmoreland Western welcomed the Ministry of Health's Vaccine Outreach Bus in October of 2021 for walk-in vaccinations in Grange Hill Square.

In February of 2022, the West was further boosted with the addition of additional buses and a field hospital donated by ARC Manufacturing Limited and JMCC, increasing overall COVID-19 bed capacity by 40.

REPRESENTATION

State of the Constituency Address

On the 6th of October 2021, I made my first contribution to the State of Constituency Debate. I take great pride in representing the people of Westmoreland Western and the reception of what was presented will no doubt spur me on to bigger and better works within our constituency. It was a pleasure sharing the stage with my fellow first term MPs.

REPRESENTATION

UK Parliamentary Exchange

Honoured to have been a part of the representatives from the Parliament of Jamaica for a programme exploring parliamentary procedures with our House of Commons & UK House of Lords counterparts.

REPRESENTATION

JLP Conference & Central Executive

On this the 78th year of the Jamaica Labour Party, the party and Jamaica at large is well represented, especially in the West!

REPRESENTATION

Representing Westmoreland Western

Over the past year, I have had the honour and privilege of being invited to, and also hosting meetings of local and national import. Highlighted below are some of these events including the launch of the Youth Summer Employment Program at Mannings School, meeting with the members of the Little Bay Community, engaging with Taxi Operators over protest action RE the rumble strips and most recently the ground breaking of the Montego Bay Perimeter Road Project.

COMMUNITY

Economic Enablement

Through my office, the Economic Enablement program sought to stimulate small enterprises and provide a life line.

COMMUNITY

The People

COMMUNITY

The People

COMMUNITY

Sports

On October 22, I joined Courts Optical, Dennis Shipping, Grange Hill High School, Grange Hill United Citizens Committee, Jamaica Olympic Association, and Ministry of Culture, Gender, Entertainment and Sports, in recognizing Olympian Ronald Levy, Paralympian Theodor Subba and the Clayton Twins, Tia and Tina. Westmoreland Western produces TALENT.

Jamaica Moves Reload Westmoreland Edition was a tremendous success. Many thanks to Rosa of Waves beach, MOH, JCF, Jamaica Fire Brigade, Rotary Club, Charela Inn, Negril Chamber of Commerce, Board Walk, and of course the participants.

AGRICULTURE

Black Tank Programme

Fitzroy Mullings receiving his black tank and irrigation system from Westmoreland Western black tank programme

Farm Visit

Robert Haughton, Farmer and owner of Right Choice Chicken. I'm very encouraged to see young farmers, growing their business, creating employment and building a better Jamaica.

AGRICULTURE

Economic Enablement

A group of farmers from Grange Hill benefited from our Economic Enablement program; with machetes and machete files. We continue to encourage persons to get into farming. Agriculture is the backbone of our economy.

Farm Visit

Encouraging a new generation of Agro Business Entrepreneurs.
